

Dear Students, Families and Colleagues

This week Year 11 had an assembly from Ms Shivalkar sharing information about HT 6th form's opening evening. It is worth noting that Colleges and 6th forms will be holding open evenings (in person or virtual) anytime from now. This is a really important period for Year 11 students who need to begin their research into the destinations for life after Year 11.

As we near the end of our first half term of the academic year, I hope everyone has settled back in well and our new students (and families) have found their feet and are embracing life as a HT student. A reminder that most (nearly all) content on this bulletin is hyperlinked and if you have any questions or are unable to use the links, then please ask me. You will see links to virtual employer encounters from our partners at HOP, as well as opportunities for students to get involved in programmes from Trinity College Cambridge and Balliol College Oxford. You will also see opportunities from The Telegraph for a Media and Literacy programme, local colleges open days and information on applying for barrister, medicine and law training alongside much more!

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

Macaulay@haileyburyturnford.com 01992 308 333 ext: 300

Yours faithfully

Mr E. Macaulay

VIRTUAL EMPLOYER ENCOUNTERS

Webinars for students

[Click link](#) – to sign up to the webinar

THURSDAY 21st OCTOBER 2021

(4:30pm) and the theme will be

**CAREERS IN
BRICKLAYING**

Bricklayers play a vital role in construction projects and it requires a skilled workforce. With Construction such a huge employment sector in Hertfordshire there is huge demand for skilled and qualified bricklayers.

This webinar will focus on the role of a bricklayer – what are the most enjoyable aspects of the role; what courses are available and the qualifications that are needed as well as exploring what future prospects the role can open up for you.

The panel will include: **Lee Campbell:** Business Director Winchmore Brickwork – a brickwork management service based in Enfield. Winchmore Brickwork employ young people, often their first full-time jobs and also offer apprenticeships. Lee will be able to discuss his own career journey and what he is looking for when recruiting new employees. **Jack Dawson:** Jack is Programme Manager at Hertford Regional College and has nearly 20 years' experience teaching students about Bricklaying and related trades. Supporting and providing industry standard teaching to 16-19 age learners for both full time and apprenticeship pathways. He will be able to explain the Level 1 and 2 Bricklaying courses available at Hertford Regional College, the content of the course and what he looks for from applicants.

OUTREACH HUB
**EASY AS PI -
WOMEN IN
MATHS (Y11)**

The Easy As Pi – Women in Maths Programme will open your eyes to the magic of Maths and its use in solving crucial problems in today's world.

Through a series of hands-on extra-curricular online workshops, students all over the UK will meet to explore the subject in innovative and interesting ways.

Our Masterclasses are led by inspiring workshop leaders who come from a variety of backgrounds. They will share their enthusiasm and experience with the participants, nurturing their curiosity. The programme allows students to gain a deeper understanding of the scope, creativity, relevance and potential applications of Maths.

Deadline: 1st November 2021 – please click [link](#) to explore in more detail

OUTREACH HUB
**LOVE
LANGUAGES
MASTERCLASS
(Y11)**

Do you want to bring language learning to life and be inspired to take languages further? Then this is the programme for you!

The programme is designed to bring language learning to life, build confidence and make learning a language exciting for young people.

We hope to encourage you to continue with language learning beyond GCSE and to understand the importance of languages in a global context.

Throughout the programme, you'll learn about the benefits of being multilingual in the working world, practice using your target language inside and outside of the classroom setting and have a go at learning some other languages on offer at Cambridge University.

Deadline: 1st November 2021 – please click [link](#) to explore in more detail

The Telegraph Media Literacy Programme supported by the Careers Office

Purpose: This exciting programme will help you find out more about what it is like to be a journalist, the industry, and how we get our news. This programme will also help you get more information on how to get into journalism and other Media roles. You will learn about the importance and value of trusted responsible news.

Content: Lots of talks, presentations and activities involving editors from the worlds of sport, fashion, travel, politics, pictures, music, video, Snapchat etc...

When: 4 online sessions starting 1st March 2022. These will be online. Sessions start at 4pm - 5pm every Tuesday.

How to apply: 100 word cover letter on 'why you would like to take part'. Then submit your application to this [link](#). Use your school email and state the name and location of your school.

NATIONAL TEEN BOOK CLUB

A first of a kind programme, bringing together thousands of 14 to 19-year-olds, from hundreds of state schools and colleges, across every corner of the UK, to a shared, virtual book club.

Over five weeks, young people and school facilitators will connect in the cloud from home, or project in a space on school campus, for our weekly event every Wednesday, 3.30pm to 4.30pm. Each week, we will cover three key elements:

Share a reading experience

Hear from award-winning authors

Skill up and become a published author

Law & Politics	Law, Politics, International Development, Environmentalism	Link
Business & Finance	Banking, Accountancy, Marketing, Entrepreneurship, Management Consultancy	Link
Technology	Software Engineering, Video Game Design, Data Science, Cybersecurity	Link
Engineering & Architecture	Engineering, Architecture	Link

Upcoming and past webinars with Unifrog!

We're hosting lots of new Subject discovery webinars for your students this week, demystifying popular subjects including:

- > Criminology
- > History
- > Business and Economics
- > Law
- > Psychology
- > Medicine and Medical Sciences

Click [link](#) to access

Students will get the chance to hear from top UK universities including the University of Glasgow, Birmingham University and Goldsmiths, University of London.

Also... have you seen the 'writing like a boss' The Personal Statement guide to support students on Unifrog. Over 670000 students have viewed this last month! This student guide and accompanying video gives students **six top tips** on how to write and structure a Personal Statement to be proud of. Each tip is developed with handy examples and there's an exercise that teaches students **how to best sell themselves**. It gets them to think about times they've put specific skills into practice to avoid over-confident generalisations and sweeping statements. Click [link](#) (only once signed in as a student)
