Careers Bulletin

AMBITION • PRIDE • SUCCESS

4<sup>th</sup> October 2021

Dear Students, Families and Colleagues

I hope you and your families have had a wonderful summer and have settled back into a routine. I am really excited to get started with our first Careers Bulletin of the academic year.

To our new students and families joining us, I publish a Careers Bulletin each fortnight. It is suitable for all age groups; however, it naturally resonates more with Key Stage 4 (Year 10 & 11) and Key Stage 5 (Year 12 & 13) students. Some bulletins will have more meaningful information to the individual on different weeks, so please continue to look and click on the links to take advantage of the opportunities that are out there to support our students.

Things you will notice in bulletins throughout the year: a range of webinars; updates; apprenticeships and more from our partners HOP (Hertfordshire Opportunities Portal), Oxbridge information, University information and opportunities, Work Experience information, medical/veterinary opportunities, local and national businesses, generic careers advice, STEM (Science, Technology, Engineering and Mathematics) opportunities and webinars and real jobs in Hertfordshire along with podcasts and webinars to support parents too. Along with many other interesting opportunities.

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

[Macaulay@haileyburyturnford.com](mailto:Macaulay@haileyburyturnford.com) 01992 308 333 ext: 300

Yours faithfully

Mr E Macaulay  
Assistant Principal & Careers Lead

POWERED BY HERTFORDSHIRE LOCAL ENTERPRISE PARTNERSHIP

**THURSDAY 7<sup>th</sup> OCTOBER 2021**  
(4:30pm) and the theme will be

**CAREERS IN HUMAN  
RESOURCES**

**[Click link](#) – to sign up to the webinar**

Everyone throughout their working careers will interact with somebody in Human Resources – usually they are the first point of contact when issuing contracts or as part of the recruitment process. However, HR, as a whole contains a huge variety of different roles and skills that all businesses are reliant on to ensure that they meet the current and future needs of the organisation. Very few HR professionals grew up even knowing what HR is let alone aspiring to develop their own careers in the profession.

People who work in HR often have a real passion for working with and helping others; they enjoy creating better and improved processes and future planning. If you would like to find out more then join this webinar to hear from our panellists who will share their own experiences with you and will be happy to answer your questions.

**Panel includes:** [Rebecca Healy](https://www.linkedin.com/in/rjhealy/) & [Aidan Fox](#)

COLLEGE  
UNIVERSITY OF OXFORD

## Super-Curricular Resources for Students

[These short videos](#) are designed to introduce students to a range of topics related to A Level and Degree Level study. Each has been designed and produced by our graduate students and each contain activities and suggestions about further resources to explore the subject. Please note we will be adding more videos on a rolling basis. Students need to answer a few short questions to access each video.

[These Subject Specific guides](#) which are available for most A Level and GCSE subjects, contain suggestions for exploring subjects further by watching, reading, listening and doing. Please tell us about any suggestion you have to add to these guides.

[Oxford University Digital Resource Hub](#) – here you can find the best of our digital resources to support learning and exploration. They can help parents and teachers to feed the curiosity of growing minds and inspire them to think broadly.
