

Diversity group at HT

Hello! I would like to tell everyone about our Diversity group.

It's a small group where if a student is having an issue with homophobia, racism or sexism then you can come to a small and friendly group to talk about your experience and how you can receive help. To get to speak to us all you have to do is to let your form tutor know that you would like to chat to us and they will contact Mrs Elliot who will get in touch with us and we will spend a lunch or break time speaking with you to talk about any issues or just to be a friendly face and we will try and help in any way possible.

Remember to Be yourself and be proud!
