21st February 2022

Dear Students, Families and Colleagues

After a busy Apprenticeship Week, it is with great excitement we start to look forward to National Careers Week 2022 on the 7th – 11th of March. This is the biggest week in the calendar for Careers Leaders across the country. We have lots planned for our students to think about their future selves and what they should and will take out of school life at HT.

National Apprenticeship Week was a real success and I hope students went home and discussed some of the exciting things that happened that week with you. I would like to thank some of our HT Alumni: Mason Lucas – Social Media Executive Apprentice at The Octopus Group, Konnor Sakizcioglu – Service Desk Analyst Apprentice at Tilney Smith & Williamson and Josh Asiedu – Investment Consulting Apprentice at AON who gave up their time to give an insight into their working life and how their apprenticeship route helped paved the way to a successful career. Thank you to Dean Williamson, Cheshunt FC Chairman, for talking to our Year 8 students in assembly and some of our Key Stage 4 and Key Stage 5 Sports and PE students. Year 9 had a virtual session with Accounting firm; PwC and plan to visit their offices during National Careers Week for a challenge day. Our 6th form team put on a daily 'weirdest apprenticeship' QR code for 6th formers (and staff) to engage in, alongside other events throughout the week to raise awareness for apprenticeships. Mr Tagliarini's Year 10 IT class enjoyed their 'Meet the Dell' session with excellent thought-provoking questions being asked by our students, thank you for your engagement. There is a lot to catch up on from National Apprenticeship Week, you will see lots of links to recordings in this bulletin, however if you have any specific questions please feel free to contact me directly.

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

Macaulay@haileyburyturnford.com 01992 308 333 ext: 300

Yours faithfully

Mr E Macaulay

Thursday 3rd March 4.30pm
Careers in Sports Journalism – register [here](#)

Ever thought about becoming a Sports commentator or broadcaster? With more and more sport being covered on both TV and radio and the growing popularity of podcasts there remains great demand for commentators and broadcasters. On this webinar we will be joined by Rob Daly - a freelance broadcaster who commentates for Spurs TV, Premier Sports amongst others. Rob will be able to share his experiences with you including his degree at University of Leeds.

ALUMNI

A massive thank you to our Alumni that got in touch with videos talking about their apprenticeships and advice they would give their younger selves. A quote from each of them on the advice they have for our current students.

Konnor Sakizcioglu

***Utilise free periods
at 6th form!***

Josh Asiedu

Networking is key!

Mason Lucas

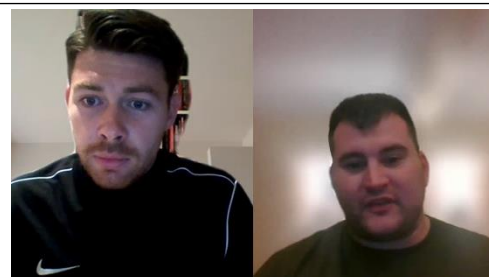

***Be patient, it will
happen eventually!***

Tom McMuldorch

Manager – Incident Response & Cyber
Threat Analytics – Fujitsu

‘Real Encounters, with Real Employers’

We were lucky enough to hear from Fujitsu's own Tom McMuldorch, an Incident Response & Cyber Threat Analytics for one of the countries biggest tech firms; Fujitsu. Tom spoke through his career path and how he manages Apprentices now and believes if he had to choose his pathway again, rather than the traditional University and Post Graduate Job, he would get an Apprenticeship, as he believes the skills he learnt at University gave him the theory, but not the practical knowledge needed in his current and previous roles. Tom spoke through the skills needed to work within Cyber Crime and the notion that you should always want to learn. Tom explained that Cyber Crime and Response Teams are a growing sector, that doesn't have the skilled workers available, so opportunities will arise if this is something students are interested in. If you had any follow questions that didn't get asked then please contact Mr Macaulay, who will liaise with Tom. Thank you very much for taking the time to talk to our students, it was very much appreciated.

HT Careers Talk with Cheshunt FC's Dean Williamson

Dean Williamson is the Chairman of Cheshunt FC, alongside being the Director of LW Developments. Dean is one of Haileybury Turnford's Enterprise Advisors and he came in to speak to Year 8 students in assembly, as well as a selected group of Y10s, 11s, 12s & 13s. Dean is a local lad, who has had an interesting career to date.

"Apply yourself"

"Never stop learning"

Dean did a somewhat traditional route after leaving school. Dean went to University and became a Trader in Canary Wharf and worked at CBRE. Dean's family had owned and worked in Construction, so Dean had always worked on building sites growing up and was familiar with this and decided to get into Development. There was also the opportunity to take over Cheshunt FC.

Dean spoke about the journey and improvements Cheshunt FC has made in the last 10 years and was proud that he had secured the plans to continue the build to a 5,000 seater stadium as well as shops and other community use too.

Dean spoke about the barriers he has faced and that tips that he has developed over the years. Apply yourself, Dean was passionate about this and explained that there is no need to compare the results of your outcomes with others, rather apply yourself fully to all aspects and you will be proud of your achievements. Other top tips involved cooperation, how important it is to get the help from others and never be afraid to ask questions! Never stop learning was another top tip alongside having resilience. Dean spoke about knock backs and failures are inevitable, but dusting yourself down, learning from the knock backs and coming back stronger is so important to be successful. Finally, Dean left us with "Try your best, if you do your best the outcome doesn't matter!" Personally, I find this quote inspiring and something that I hope our students take on board.

A huge thank you to Dean for talking to and inspiring our students. We look forward to collaborating again.

Year 11 NCS Assembly

Thank you to Ms Johnson for capping off National Apprenticeship Week with NCS coming in to talk to our Y11 students. National Citizen Service is a government funded, non-profit organisation to support 16-17 year olds. It involves an Outdoor Adventurous week in summer, alongside skills and experiences that are tailored to support young people with their CV and ability to go into the world of work when they are ready, whether that be after Y11, Y13 or after University. More information can be found on their website – [click link](#)

Pathway CTM has a range of opportunities for students to get involved with. Virtual Work Experiences, drop in sessions to ask questions, information on post 16 choices, insight into university and/or jobs.

Rate my Apprenticeship Rate my apprenticeship completed their first Instagram live with 3 female panellists including an apprentice at BT and a solicitor! Click the link to hear their discussions around their apprenticeship stories.

PwC Virtual Insight Week

Click [link](#)

Our Virtual Insight Week programme provides opportunities to gain lots of valuable skills and explore your career options with PwC. You may be interested in doing an apprenticeship, going to university, or a combination of both. Perhaps you're still not sure, and you simply want to find out more about PwC different areas that you could join. Our Virtual Insight Week will help you answer these questions by giving you a glimpse into our different business areas, and you'll also hear from our people who joined through a range of pathways and programmes.

NEXT STEPS FAIR

8 March 2022
5pm - 8pm GMT

As part of **National Careers Week 2022**, we're running a unique event to give students the opportunity to compare all the different post-school pathways side by side. At the virtual Next Steps Fair on Tuesday 8 March, 5-8pm students will have the chance to hear from apprenticeship providers, employers, and universities in live sessions and drop by their virtual booths to chat with them directly. They'll also hear from a **surprise celebrity guest** on how they got to where they are today! The event is **completely free** for students to attend and they can register via this [link](#).

NEXT STEPS FAIR

Join employers, universities and apprenticeship providers to compare the different post-school pathways side by side at our virtual fair.

8 March 2022
5pm - 8pm GMT
