

Dear Students, Families and Colleagues

A fabulous Careers Week at Haileybury Turnford a fortnight ago. We started the week with a trip to PwC offices in London with Year 9 students, thank you to Ms Carter for coordinating. All students will have seen the National Careers Week 2022 assembly, as well as lots of engaging activities during form time.

Nine students in Year 10 have started The Discovery Programme, which shines the light on wider topics than what is covered in curriculums in schools across the country, this is run by Balliol College, Oxford. We have also had a range of students be accepted for the Target Oxbridge Programme from Year 10, congratulations to all who applied.

These bulletins really offer excellent opportunities for our students and I was extremely impressed by some of the extra-curricular work a Year 9 student had been putting in on a Work Experience that she applied for on Springpod from one of these bulletins. Havana Marshall, Year 9, had told me that she was completing work experience in Law and it had been happening over a series of weeks. It was lots of new information to absorb, nonetheless according to Havana very informative! I was impressed when she told me and unashamedly felt proud that our students are taking the opportunities that are out there and bettering themselves. I share some pictures to not only highlight the great work produced, but also inspire other students and families to take advantage of the opportunities that arise. If you are taking part in any extra sessions, work experience or watching virtual encounters with employers, please let me know. Well done Havana and I am glad you found it purposeful.

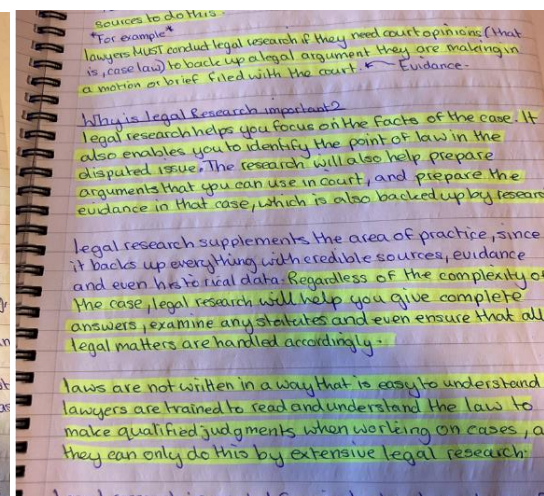

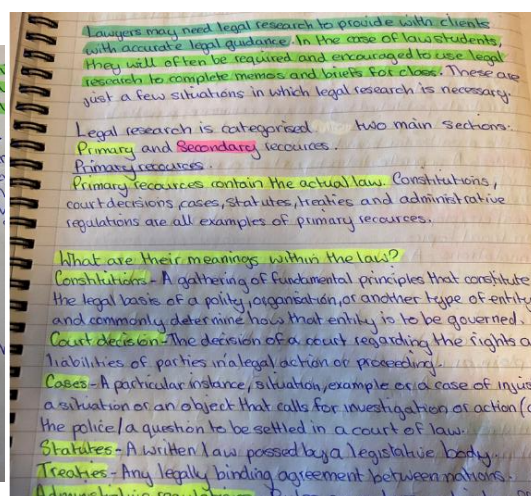

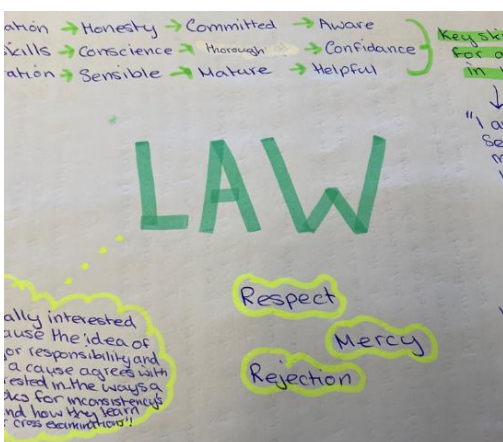

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me. If you are an employer and want to get in contact please do.

Macaulaye@haileyburyturnford.com 01992 308 333 ext: 300

Yours faithfully

Mr E Macaulay

Assistant Principal & Careers Lead
