Hard-working pupils make the grade

HAILEYBURY Turnford Year 9 students have graduated from The Scholars Programme, a unique university access programme run by education charity The Brilliant Club.

The hard-working students at the Cheshunt school produced challenging university-style essays after being encouraged to think and work independently across seven tutorials with a subject expert PhD researcher.

They were given a university-level grade on their final essays - with Marissa Cabaco and Lacey Paddick receiving first class grades - an exceptional achievement.

Assistant principal Ewan Macaulay said: "Congratulations to our Year 9 graduates. They showed excellent resilience to complete such a challenging task whilst managing their routine studies in school.

"They have gone above and beyond what we expected of them, with 80 per cent of the graduates receiving a grade 2:1 or first.

"The staff at HT are extremely proud of their achievements."
