

Dear Students, Families and Colleagues

As we move towards the end of the spring term and prepare to celebrate the Easter break, it is an important reflection moment for the year so far. We have shared a vast amount of information and opportunities that you have taken advantage of. I would really like to hear about what has been of benefit to you, to allow me to reflect on the vital information we share with our students. We are moving into the summer term, which is a big term for Careers at HT as we have: the Aerozone Careers Trip for Year 7 in July; Work Shadowing & Experience for Year 10 & Year 12 alongside Futures Week for the 6th form; Year 10 have a Careers Fair at Spotlight which you will hear more about after Easter alongside more guest speakers and exciting activities linking our curriculum in different subjects to careers. I hope you get a restful break and I look forward to what the summer term will bring.

Please reflect on your year so far and continue – or begin – to take advantage of the opportunities that will support your understanding of your future.

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me. If you are an employer and want to get in contact please do.

University vs Apprenticeships

Wednesday 20th April 12pm-1.15pm

We are excited to announce that we are going to be hosting a free online networking event in partnership with Gen Z Talks.

The event is based around the debate 'University vs Apprenticeships' and what option is more valuable today.

You will have the pleasure of hearing from James Godforth who is currently a student at the University of Warwick and Amy Watt who is currently a Level 3 Digital Marketing Apprentice at Google.

During the event, there will also be the opportunity to take part in our virtual one to one speed networking sessions, giving you the chance to network with talented young people and experienced professionals across different sectors.
