

Welcome from Haileybury Turnford

Robin Newman, Principal

On behalf of Haileybury Turnford we would like to thank you for taking an interest in applying for a role at our school. This is an exciting time to join the team following our Ofsted inspection in March 2022 when we were rated Good in all categories. We are making a real difference to the lives of our students as we continue to rapidly improve.

“Pupils love the fact that their school is friendly and welcoming. They say that it is a school where they can be themselves. This is because it is a very tolerant community. Pupils feel very safe.”

“The school helps pupils to become better citizens. Teachers support pupil well, but pupils also support each other.”

“Leaders have brought improvements to many areas of the school since the previous inspection, including behaviour and the curriculum. Parents are very appreciative of the way the school has changed.”

“The school is a calm and orderly environment.”

[Ofsted, 2022]

Exam Results – Big improvements at HT

In 2019 we saw significant improvements in our GCSE, vocational and A Level exam results. Results have continued to rise in 2020 and 2021.

Our Progress Score for A Level Performance in 2019 was the highest progress score amongst local 16-18 state school provision and ranked us 26th out of 125 Hertfordshire 16-18 providers and 16th for academies and maintained schools. Our vocational results have continued their strong performances with outcomes and progress remaining high. We continue to have real student success across the range of vocational subjects offered with many top grades achieved in Business, ICT, Health & Social Care and Drama. We are delighted that we have had three students achieving places at Cambridge and Oxford Universities in the recent past, studying Human, Social and Political Sciences, English and Physics.

At GCSE, our students had great success in 2019 across a wide range of subjects including in English, Maths, Biology, Chemistry, Physics, Business, Dance, Engineering, Geography and Photography. Our Progress 8 score for all Year 11 students was -0.14. 53% of our students achieved both at least a grade 4 in Maths and English, with significantly higher outcomes in both Maths and English individually. Our Progress score for Maths was +0.39, showing exceptional progress for our students of all abilities. It placed us 12th for progress in Maths in Hertfordshire.

We are confident that our exam results will continue to show further improvements in progress and attainment for GCSE, vocational and A Level students from 2022, following the award of centre-assessed grades in summer 2020 and teacher assessed grades in 2021.
