A message from Mr Newman

As I write at the end of term, we still wait for our Ofsted report to be published. Our report is due to be published in the first week back at school following the Easter break. I will share it with all students, staff and families as soon as I am able to.

We have had a very busy few weeks at school, and our Year 11 and Year 13 students have been particularly busy preparing for this summer's exams. The resilience and commitment shown by our students throughout this academic year to remain focused on their exam preparation has been magnificent, whilst dealing with much uncertainty as a result of COVID-19. I remain hugely grateful to our wonderful staff team for their teamwork to ensure our students have been able to benefit from so many curriculum opportunities this term; from excellent lessons, a wide range of co-curricular activities and educational visits.

Throughout this term we have had the people of Ukraine in our thoughts, and we finished the term today with further fundraising for the people of Ukraine as we head into the Easter break. Thank you for all donations.

I wish all students, staff and families a very restful and enjoyable Easter break. School re-opens for the summer term on Tuesday 19th April to Year 11 and Year 13 students, and to all other students on Wednesday 20th April.

National Award for HT student

HT Year 9 student, **Havana Marshall**, recently received a runner-up prize at the National Be Kind Awards. She was nominated for her significant contribution to the school and wider community during her time at Haileybury Turnford. Her specific care of others and drive to make the world a fairer and happier place was highly commended by the judging panel. It is a wonderful achievement for Havana to be a runner-up in the Star Pupil category at this national ceremony, and for her kindness to others to be recognised following her nomination by the school.

"Listening to the stories and acts of kindness was heartwarming and it opened my eyes to the impact such acts of kindness can have on others", said Havana.

District Champions

Our Year 10 Boys are District Football Champions following a brilliant 2-1 victory v Richard Hale School. It was a tremendous team performance with much support for HT from the sidelines. Well done boys!

BOB Awards

Congratulations to Mrs Carter who recently received a Borough of Broxbourne Award for Outstanding Contributions to the borough community.

Year 8 visit to Stansted Airport

Students from Year 8 enjoyed their trip to Areozone at Stansted Airport on 22nd March as part of their career's education.

Music Showcase

It was excellent to welcome families into school on 6th April for our Music Showcase. We had students from a range of year groups showcasing their musical talents including singers, pianists, drummers and guitarists. Thank you to Mrs Nicholson for coordinating our concert and nurturing our student talent so well. Well done to all HT musicians.

Haileybury Dance Show

A huge well done to the HT Dancers from Year 7 and 10 showcasing their talents at Haileybury on 23rd March. Thank you to Haileybury for their invite and warm welcome. Miss Bilsby is very proud of their hard work and commitment. Very well done to **Alisa Temur** and **Steeyah Husraz** in Year 7 and **Remy Matthews, Henry Atkinson** and **Amelie Marendaz** in Year 10.

HT Debating Society

Eleven students from Haileybury Turnford's Debating Society recently participated in a multi school well-being event at Goffs-Churchgate Academy alongside three other schools in the local area. The students took part in a collection of stimulating discussions, poetry, and speeches on the topics of mental health and unity. Amongst the talented acts were **Charlie Murphy and Sienna Suleyman** with their take on escapism through spoken word, **Scott Fletcher** and his thoughts on the concept of Unity, and **Alexandra Dafinescu** and her poem on the consequences of depression. To finish off the event, **Rebecca Fletcher, Holly Linwood, Ryan Lehane, Andrew Cartwright, Havana Marshall and Anna Dimitrova** performed a drama piece focusing on the impact of bullying. It was a great success; our students were confident and bold, and their hard work and support for one another was truly impressive. Thank you to Miss Khatiri for coordinating the event.
