- *Pupils love the fact that their school is friendly and welcoming. They say that it is a school where they can be themselves. This is because it is a very tolerant community. Pupils feel very safe. They attend regularly and promptly and take great pride in presenting and organising their work carefully.*
- *The school helps pupils to become better citizens. Teachers support pupils well, but pupils also support each other.*
- *Pupils know that teachers always expect them to work hard. They are grateful for this. Pupils know that they can always learn in lessons.*
