

27<sup>th</sup> May 2022

Dear Parent/Carer

I want to thank Year 11 students for their hard work, focus and maturity during the GCSE examination period so far; it has been a really successful two weeks. Students should take a well earned break for some of half-term, but should not let the momentum that has been built up slip away either. Students should still be putting in at least two hours of revision each day over the break. I strongly suggest keeping a similar sleeping pattern, as this will be so important for the first week back after half-term.

Mr Newman is running a Geography revision session on Monday 30<sup>th</sup> May from 9.30am-10.30am in K105 for our geographers and Mr Duncan and the Maths' team are running a Maths session on Saturday 4<sup>th</sup> June from 10.30am-12.30pm. Everyone is strongly encouraged to attend this Maths session. There has been lots of work put onto Class Charts to support students with their revision for all subjects and students should have all they need.

An updated copy of the GCSE examination timetable for the final three weeks of exams has been attached too.

Leavers' Assembly is on Friday 24<sup>th</sup> June at 9.00am. This is a final celebration for the students, and parents are invited too and strongly encouraged to share this achievement with us.

8.45am – Students arrive and go to form rooms  
9.00am – Parents and students go into the Hall  
9.05am – Ms Johnson leads the Leavers' Assembly  
9.55am (approx) – Students and parents go into the small canteen and canopy area for refreshments, photographs and shirt signing  
10.40am – All students and parents leave the school site

Please note that students should arrive in full school uniform for their Leavers' Assembly. This is a must, and part of celebrating the last time they will wear their HT uniform as the Class of 2022. Students will be refused entry if they are not in school uniform. As lessons will be going on for the rest of the school we will ask that students and parents to remain within the canteen and canopy areas to avoid any safeguarding issues and to ensure learning is not disturbed for other year groups.

We look forward to celebrating with the Class of 2022, and with families. If you have any queries about our Leavers' Assembly, please direct these to Ms Johnson: [johnsonk@haileyburyturnford.com](mailto:johnsonk@haileyburyturnford.com)

Best wishes and good luck to our students during the rest of the exam season.

Yours faithfully

**Mr E Macaulay**  
Assistant Principal
