Dear Students, Families and Colleagues

The Careers Bulletin is here to support extra opportunities for our students outside of the curriculum, as well as celebrate the excellent careers work that is happening in school. It's aim is to offer a range of activities that allow students to explore something they are interested in, whether that be virtual work experience, real apprenticeships, Oxbridge Super-curricular activities and many other exciting opportunities. We live in a competitive part of the country and at HT we are passionate about giving our students the best opportunity to develop, learn and embrace new challenges that support their deeper thinking and understanding of the world outside of school.

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me. If you are an employer and want to get in contact please do.

Interested in University?

Visit Springpod's University Experience Hub!

We've just launched our exciting new University Experience Hub. Students can find it on our homepage to discover statistics on universities, read blog posts and watch videos on various paths of the university application process.

It's also where students will find our subject spotlights. These are Netflix-style mini lectures delivered by top university academics to help students explore which courses they might find interesting to study. There's no better way to begin your university experience!

Capel Manor College

Open Day June 11th

Explore a campus near you, meet tutors and discuss courses from 10am to 3pm. At London's environmental college we are passionate about inspiring people of all ages to build careers in our natural world.

We help your students discover exciting land-based careers at our event, which takes place on Saturday 11 June from 10am to 3pm.

On the day you can:

- Participate in creative activities
- Watch live talks and demonstrations
- Meet current and future students
- Discuss courses with tutors
- Receive support with their application

You are welcome to join the event too to find out more about London's environmental college and the courses we offer.

HT Year 7 Enterprise Event – Create your own chocolate bar

In April, all Year 7 forms were working on an enterprise event to create their own chocolate bar. Each Careers session in form time they would work on a different section of the chocolate bar; wrappers, shape, logo, name, price, marketing. They then had to pitch their ideas to their form group and the form tutor picked a winner to pitch to Ms Allingham, Mr Newman and myself. This was an excellent event and showcased, not only the creative talent in Year 7 at HT, but also their excellent presentation skills.

The winning team was 7PANKHURST, I announced this in assembly. Congratulations again.
