Haileybury Turnford thrilled with 'Good' Ofsted report

Haileybury Turnford has been rated a 'Good' school by Ofsted.

This judgement followed the school's Ofsted inspection on 1st-2nd March, with the community celebrating since the publication of the highly complementary report.

Robin Newman, Principal, said "this is simply wonderful news for us all, reflecting the excellent work of the whole school community that has taken place in recent years. All areas inspected by Ofsted were judged Good, and we are delighted." Mr Newman added, "we were particularly pleased that the inspectors recognised the warmth of the school community, and the hard work in evidence from our students as a result of the high expectations from our staff".

In the report, Ofsted said of Haileybury Turnford, an academy sponsored by local independent school, Haileybury: "*Pupils love the fact that their school is friendly and welcoming. They say that it is a school where they can be themselves. This is because it is a very tolerant community. Pupils feel very safe. They attend regularly and promptly and take great pride in presenting and organising their work carefully.*"

Ofsted added that "*the school helps pupils to become better citizens. Teachers support pupils well, but pupils also support each other ... The school is a calm and orderly environment.*"

Rob Whitaker, Chair of Governors said "all students, staff and families should feel very proud of this important achievement. We remain ambitious and will continue to develop the quality of education for our students to give them the best possible life chances to thrive, flourish and succeed."
