Dear Parent/Carer

Year 10 Parents' Evening

It was wonderful to welcome you back into school for Parents' Evening last night. There was a real buzz around K Building, and there appeared to be really focused and positive learning conversations about the Year 10 learning journey so far this year. We deliberately placed this Year 10 Parents' Evening in the period before the upcoming mock exams too, to ensure that parents and students were very clear about the exam process taking place in the next two weeks.

This was our first face-to-face Parents' Evening since the pandemic started, and the first one in our new building, rather than the Hall.

We would really value all feedback about last night's Parents' Evening, to support our planning for next year and ask you complete the short survey on the link below.
