

## Year 11 student wins Talent for Writing Award

Congratulations to Year 11 student **Aiden Bassett** has received a Talent for Writing Award from Young Writers 2022 which will be published. His poem 'Fight for the Sunlight'.

### Fight For The Sunlight

It's time for a fight,  
To gain people's rights,  
It's time to make a stand,  
It's time to command,  
I hate to see a world like this,  
Where people fight with fists,  
Where pollution takes the sky,  
Where people lie,  
Where people die,  
Where people show so much hate,  
Maybe it's fate,  
Maybe it's too late,  
But if we stand together,  
We can fight forever,  
No matter the weather,  
Even if we're different colours or nationalities,  
We can save the world,  
From the evil within,  
And make this place amazing yet again,  
But when?  
Today, maybe tomorrow?  
No! We need to do it now!  
But how?  
Well, we will have to fight together in all conditions,  
We will make this tradition,  
This will be our final mission,  
To see the beauty of the world and be happy with what  
we've got,  
I'd love to see this a lot,  
But, for now, we'll keep fighting,  
And keep on trying,  
To make everything great once more.  
This is a thanks to all who read this poem, I hope we can  
stand together and explore,  
Maybe create an uproar,  
So we don't have to cry anymore!
