Dear Year 7,

You have been wonderful to work with this year and have certainly kept me busy! Our year started off to a great start when the majority of you attended our HT summer school. It was amazing to see you all make some new friendships and transition from primary school. As the new Year 7's join us, I know you will be excellent role models. Have a restful summer holiday and I look forward to seeing you smartly dressed on your first day in Year 8.

A message from Mr Barrett

I am delighted to announce that, from September I will be leading Year 8 students in the capacity of Year Achievement Coordinator. I am very excited at the prospect of getting to know you better and supporting you through the next stage of your HT journey. Building strong foundations for the challenges ahead is crucial, and I look forward to facilitating this process.

I look forward to working with form tutors, students and parents as we strive to fulfil your true potential at this crucial stage of your education.

Have a great summer and I look forward to seeing you all in September

A message from Mr Megaw

The 2021-22 academic year is nearing its end and we start to automatically look towards the future. However, it is important to reflect on the last 318 days or 221 school days and identify what went well and how you could have done things better. As individuals we get better by reflecting and learning from our past. We all control our futures and the choices we make has an impact on it. Sometimes the choices we make are the wrong ones, we must learn from this. Our experiences are often controlled by the choices we make and the effort we put in.

Make the choices that are right for you and no one else!

I am looking forward to working with you throughout the next academic year.

Have a lovely and safe summer break!

All the best,

Mr Megaw
