A message from Mr Walsh

What a brilliant term! So much fun and celebration which recognised the simply outstanding hard work and commitment since Easter. As individuals you have grown and achieved so much but together we have climbed mountains!

This year was always about a “spirit of togetherness and friendship”, to this end I am proud to say that every single one of you understands now just how important that is. Never accept any limitation.

Have a wonderful summer! Mr Walsh

A message from Mrs Carter

I am really proud of each and every one of you for the amazing year that you have had. It has been good to see that school life has been able to return back to 'normal,' with many of you showing commitment, resilience and dedication to your education throughout your final year of Key Stage 3. As a year group we have seen some impressive gains in your education and have seen you grow into respectful, young adults, which has been amazing to see.

It has been an exciting time for you as a year group choosing your option choices and I know that you are all looking forward to embarking on your GCSE journey in September. There will inevitably be tough times, but I am sure that you will use all of the skills that you have learned to ensure that you are as successful as possible, and know that when you return to school you are ready to face the challenge ahead of your next phase of education.

I am really pleased that I have been given the opportunity to continue to support you next year in the role of Year Achievement Coordinator, and am looking forward to working with you all to ensure that you feel fully supported throughout the next stage of your education. As always, if you need anything at all, you must ask. If we don't know about it, we are unable to help and help will always be available. I wish you all a lovely summer break!
