Careers Bulletin

AMBITION • PRIDE • SUCCESS

22nd September 2022

Dear Students, Families and Colleagues

I hope you and your families have had a wonderful summer and have settled back into the school routine. I am really excited to get started with our first Careers Bulletin of the academic year. For our new students and families joining us, I now publish a monthly Careers Bulletin. It is appropriate for all age groups, but it naturally resonates more with Key Stage 4 (Year 10 & 11) and Key Stage 5 (Year 12 & 13) students. Some bulletins will have more meaningful information to the individual on different weeks, so please continue to look and click on the links to take advantage of the opportunities that are out there to support our students. Year 12 & 13 students are emailed 'HT Express' by Mr Lindquist. This is not instead of that, but there may be cross over information. Both will be of value and I urge you to take advantage of opportunities in both bulletins.

Things you'll see notice in bulletins throughout the year: a range of webinars; updates; apprenticeships and more from our partners HOP (Hertfordshire Opportunities Portal), Oxbridge information, University information and opportunities, Work Experience information, medical/veterinary opportunities, local and national businesses, generic careers advice, STEM (Science, Technology, Engineering and Mathematics) opportunities, webinars and real jobs in Hertfordshire along with podcasts and webinars to support parents too. Along with many other interesting opportunities.

If you want to take a deeper look into Careers at HT then please visit our website and see our partners, general information about Careers at HT and copies of previous bulletins posted.

As ever, please have a look through and click on the links to various different websites for more information and if you have any questions please do get in contact with me.

Macaulaye@haileyburyturnford.com 01992 308 333 ext: 300

Yours faithfully

Mr E Macaulay

Assistant Principal & Careers Lead

POWERED BY HERTFORDSHIRE LOCAL ENTERPRISE PARTNERSHIP

HOP is a one stop shop for talent. Powered by Hertfordshire Local Enterprise Partnership, students, employers, residents wishing to upskill, are now able to *HOP into* all the resources they need to make informed career decisions *and* build a future talent pipeline. HOP is the premier gateway in Hertfordshire to find out about: career path options, employment opportunities, apprenticeships and work experience, skills development and professional qualification programmes.

22nd September 2022

On Friday 9th September a group of year 9 students had the opportunity to visit Sky News Studios. They had a tour of the studios watching a live broadcast being set up and created their own report on sustainability, eating more local and seasonal foods to reduce our carbon footprint. The groups also looked at their own skills and personal attributes to investigate a job role within Sky that would suit them in their future careers. All students were challenged with their individual job roles, as Directors, Presenters, Camera operators, Writers and Editors. Extending their knowledge and understanding of the industry outside of the classroom.

Want to know the difference between the **VFX, Animation and Game Art** pipelines?

There are many different roles that make up the creative industries, with artists collaborating on projects through professional pipelines to create their final masterpiece.

At Escape Studios, we have designed three essential infographics for you to understand what the creative process looks like when creating CGI shots and exciting game environments, so you can get a clearer vision of what your creative career could include!

A breakdown of the VFX, Animation and Game Art pipelines

- Learn about each step in the **VFX, 3D Animation and Game Art pipelines**
- Go behind the scenes of some of our amazing students' projects

Meet us at an open day

Join us on Saturday 24th September at our central London campus for our undergraduate open day.

Find out how we ensure our students are studio-ready before they graduate!

RateMyApprenticeship have partnered with The University of Law to launch a NEW competition...

Introducing... Two Laws, One Lie

Go onto the Rate My Apprenticeship [website](#) to enter the competition to WIN a £1,000 Apple Voucher.

Deadline 2nd October!

THE UNIVERSITY OF LAW

The University of Law offers apprenticeships, degrees and law-conversion courses for students from ALL backgrounds. This also includes LPC, SQE and BPC qualifications.

We have campuses across the UK and abroad, and train more lawyers than any other institution.

Whether you're at school or college or at university studying something completely different, we want to help transform you into a future lawyer.

Step into the NHS competition

For KS3 Students – Year 7, 8 & 9

Click [link](#) to find out more

Students can complete their entry on their own or as a team, either in class, or at home as part of a term project.

The competition is open until 30 April 2023 and you can enter at any time during the year.

Follow our social media for more exciting updates throughout the year and make sure to share with teachers in your school to get started today!

Explore Unifrog today

Click [link](#)

All students in year 7 through to 13 have a Unifrog log in. This will have been sent to their school email address. Any issues with remembering log ins/passwords simply click on Unifrog and forgotten password. Then go to your school email.

Unifrog is a one stop shop for Careers and information. It helps students find their future, brings all available information into one single, impartial, user-friendly platform helping young people make the best choices and submit the strongest applications.
