Careers Bulletin

AMBITION • PRIDE • SUCCESS

21<sup>st</sup> October 2022

Dear Students, Families and Colleagues

Thank you to all staff and students for an excellent first half term this academic year. Students in all year groups have settled in well. A reminder that if you have signed up or completed anything in the previous bulletin you should make a note of this on your Unifrog account, under log and interaction. This will allow you to keep an electronic record of all things relating to careers as you take your journey through Haileybury Turnford.

Students, as you should know by now; I am the Careers Lead and you can find me in my office in the G building, by G104. You can also find Services for Young People who give impartial careers advice on a Monday, Tuesday and Wednesday in H144 if you have any questions you want to ask regarding careers, University, College, Apprenticeships, T Levels and more.

Thank you to those of you who attended the Webinar with Alex Scott; sports presenter, pundit and ex professional footballer for Arsenal and England, who spoke about her book 'How (not) to be strong' and her career path. Thank you to those who attended the Media webinar about Careers in visual effects.

We will be running more webinars inside school and sharing information about those outside of school after half term too, particularly careers around sport with the build up to the World Cup starting soon. Listen out for those! We also look forward to hosting an Author and more guest speakers after half term. Lots to be excited about.

If you want to take a deeper look into Careers at HT then please visit our website and see our partners, general information about Careers at HT and copies of previous bulletin posted.

Please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

## EPISODE 5 OUT NOW!

This week we're talking about the importance of supporting your child's emotional wellbeing and mental health as they navigate the world of careers and their next steps.

Rachel is joined by three fantastic speakers to explore the topic, touching on...

- ◆ The importance of curiosity to help children to explore their options.
- ◆ Dealing with disappointment - how to cope when things don't go as planned.
- ◆ Resilience as a tool for life.
- ◆ Utilising friends and family as a support network to talk through personal challenges and find shared experiences....and much more!

Available on all the usual channels, or by clicking the [link](#)

RateMyApprenticeship is the UK's leading jobs resource for young people seeking apprenticeships and school leaver schemes. Our website lists thousands of apprenticeships available in the UK where students can find out more and apply online. There are also reviews left by other apprentices on the companies they were employed by.

**The purpose of this virtual event is for students in Years 10-13 and parents to learn more about Apprenticeships.**

Students will hear from an array of companies throughout the evening including University of Law, KPMG, Roche and PwC and listen to discussions with a panel of current apprentices discussing their journey of discovering, applying for and gaining an apprenticeship. There will be an opportunity for attendees to ask questions at the end of the session and participate in employability workshops.

The event includes three interactive discussions with a panel of current apprentices discussing their journey of discovering, applying for and gaining an apprenticeship.

Students also get to attend an exclusive CV and Interview workshop with The University of Law and will receive a certificate of attendance for their record of achievements, CV or LinkedIn profile. Anyone who attends will receive a £5 Deliveroo voucher. Click the [link](#) to sign up

Unifrog is a careers platform for students to explore. It helps students bring all available careers and pathways information into one single, user-friendly platform helping young people make the best choices and submit the strongest applications. All HT students have a log in. If passwords have been forgotten, click forgot password then reset via your school email address.
