

7<sup>th</sup> October 2022

Dear Parent/Carer

**Re: GCSE Science! Live Lectures**

I am delighted to be writing to inform you of a marvellous opportunity for your child to engage in a series of lectures by renown, diverse scientists.

As an enrichment opportunity for Triple students, we will be visiting Aldwych theatre, where we will have the immense privilege of attending talks delivered by Professor Robert Winston, Professor Andrea Sella, Professor Jim Al-Khalili, Dr Maggie Aderin-Pocock and Professor Alice Roberts. This will be a key fundamental experience for our students, equipping them with the highly coveted exposure that will prove advantageous during sixth form/apprentice/university applications. Moreover, the explicit links to the GCSE curriculum will serve as an ideal tie-in to aid their understanding of crucial content, as well as providing a realistic insight into careers education.

This trip will take place on **Friday 2<sup>nd</sup> December 2022**. Students will be travelling via the Overground and Underground services and will be expected to bring their Oyster / Payment cards to pay for their own travel fare. They are expected to arrive at school by **8.00am** for a prompt departure. Dependent on traffic, it is estimated that students will arrive back to school at **4.30pm**, where they will be dismissed.

Lunch will not be provided, and students are expected to bring a packed lunch.

Please do not hesitate to contact me via [jethmalania@haileyburyturnford.com](mailto:jethmalania@haileyburyturnford.com) should you have any questions.

Yours faithfully

**Miss A. Jethmalani**

Coordinator of KS4 & KS5 Biology & Gregson Scholar

Please return the tear off slip to Miss Jethmalani as soon as possible.
