Dear Parent/Carer

Re: Silverstone Interactive Museum

I am delighted to be writing to inform you of a marvellous opportunity for your child to participate in a STEM workshop, exhibition and heritage trail at Silverstone Interactive Museum.

Silverstone is one of the most prestigious motorsport venues in the world and widely recognised as the Home of British Motor Racing. The various exhibits also allow students to explore the wider aspects of racing, including medical support, the mechanics, safety and via our Tech Lab, the technology and engineering itself, as well as the opportunity to get close to genuine raced vehicles, clothing and other related items. The interactive workshop will be an excellent resource and a key fundamental experience for our students, equipping them with highly coveted practical experience that will prove advantageous during sixth form/apprentice/university applications and/or job interviews. Moreover, the explicit links to the curriculum will serve as an ideal tie-in to provide realistic insight into careers education.

This trip will take place on **Friday 25th November 2022**. Students will be travelling via coach and expected to arrive at school by **8.00am** for a prompt departure. Dependent on traffic, it is estimated that students will arrive back to school at **4.00pm**, where they will be dismissed.

The cost of the trip will be **£5.00**, and must be paid on ParentPay, by **Friday 29th October 2022**.

Lunch will not be provided, and students are expected to bring a packed lunch.

Please do not hesitate to contact Miss Jethmalani (jethmalania@haileyburyturnford.com) or Mr Hill (hills@haileyburyturnford.com) should you have any questions.

Yours faithfully
