

21st October 2022

Dear Parents/Carers

As the first half-term of Year 11 comes to an end, I would like to thank you for your support. I would also like to thank the vast majority of students who are attending school regularly, focusing in lessons, attending revision sessions and completing homework and revision at home daily.

We recognise this has been a tiring half-term for Year 11 students and they have been working outside their comfort zones. I understand that students need to rest and recuperate over half-term as the next half-term will be even more intense with Year 11 Parents' Evening and Mocks Exams being round the corner on our return. It is vital that students complete half-term holiday work that has been set and continue to revise. Miss Kaposi has helpfully added a blank version of a revision timetable to her bulletin that can help students to plan their time and this can be completed over the half-term break.

Work has been set specifically by teachers on Class Charts to support Year 11 students to be successful. This work has to be completed, it is not optional. Students should be working so they maintain the momentum they have built over this half-term.

Finally, thank you for your support this half term getting your children into school. Our attendance has been above the national average and we want to continue to give our students the best opportunity to be successful in their exams this year. Attending regularly is the simplest way to achieve that. Thank you again to those that attended the Key To Success Evening earlier in the term which I hope this was informative. The slides from that evening can be viewed here: <https://haileyburyturnford.com/app/uploads/2022/09/Key-To-Success-PPT-14.9.22-without-video.pdf>

Have a great break - please try to maintain your child's sleeping patterns and academic work commitments during the break to support with a smooth transition back to school on Monday 7th November.

Yours faithfully

Mr E Macaulay
Assistant Principal
