Dear Students, Families and Colleagues

We have had a busy month, regarding Careers. We have had a Year 7 visit from an Author, numerous webinars, an Engineering trip to Silverstone, Personal Finance session with Natwest, an ex-student studying at university inspiring our students during assemblies, Future Elite Sports sharing pathways into sports scholarships in America, Year 9 students starting the Scholars Programme and more. Thank you to the staff who plan these activities in the background to support our students and community.

If you are in 6th form, please ensure you take full advantage of the HT Express, emailed directly to you from Mr Lindquist. This gives 6th form specific information and opportunities and is a great resource to take advantage of.

If you want to take a deeper look into Careers at HT, then please visit our website and see our partners, general information about Careers at HT, and copies of previous bulletins posted.

As always, please have a look through and click on the links to various different websites for more information, and if you have any questions, please get in contact with me.
