

A brilliant start by Yr 10!

It is clear that our students have made a conscientious start to their GCSEs! Miss Carter and Mr Walsh have seen a significant improvement in maturity and focus in the last 7 weeks of school. It is pleasing to see that the option choices have been embraced by our students as they focus hard on what they enjoy! Each student has been working hard on core subjects (Math, English & Science) and it is brilliant to see students making the most of each and every day in school.

GCSEs are not easy and require commitment and attention to detail. Attendance is a key part of this and we are working hard with our families to ensure that attendance stays above our target of 96%!

Students and their families will shortly receive their first ATL (Attitude to Learning) progress update. Following receipt of this Miss Carter and Mr Walsh will be making appointments with you to see if there is anything more that can be done to support and capitalise on this excellent start!

Enrichment at HT – University of East Anglia

14 students had an early Saturday morning start for our trip to the University of East Anglia (Norwich)! A 250 mile round trip and 15,000 steps around the university campus allowed our students to view possible courses as well as life on campus. Students will have a follow up visit from an ex-student (Chloe Dust) in the first week after half term to provide further advice and guidance. A brilliant trip!

Enrichment at HT – Loughborough University

Another 250 miles, this time heading north on the M1, saw 13 lucky students visit the University of Loughborough for a unique enrichment experience at the best sporting based university in the UK. Students took part in advice and guidance sessions about possible future courses as well as experiencing life at university including 90 minutes of dedicated training provided by Loughborough post graduate students in a range of sports. A phenomenal trip!

Getting support

At HT we pride ourselves on the level of support we provide for our young people and their families. If you think there is an issue that we can help with our pastoral team is ready to support you and your child. Please contact us at any time to discuss concerns you may have and encourage your child to share those concerns with us.
