20<sup>th</sup> December 2022

Dear Students, Families and Colleagues

As we draw closer to the end of 2022, I want to take this opportunity to wish all students, families, staff, and all in the HT community a Merry Christmas and Happy New Year. I look forward to the opportunities we offer students in 2023. A reminder that if you believe you can offer our students an insight or experience to support their understanding of apprenticeships, traineeships, or the world of work, then please get in touch with me directly to discuss this.

If you are in sixth form, please ensure you take full advantage of the HT Express, which was emailed directly to you from Mr. Lindquist. This gives sixth-form-specific information and opportunities and is a great resource to take advantage of.

If you want to take a deeper look into Careers at HT, then please visit our website and see our partners, general information about Careers at HT, and copies of previous bulletins posted.

As always, please have a look through and click on the links to various different websites for more information. If you have any questions, please get in contact with me on 01992 308 333 ext: 300.

Yours faithfully

Mr E Macaulay  
Assistant Principal & Careers Lead

POWERED BY HERTFORDSHIRE LOCAL ENTERPRISE PARTNERSHIP

HOP is a one stop shop for talent. Powered by Hertfordshire Local Enterprise Partnership, students, employers, residents wishing to upskill, are now able to *HOP into* all the resources they need to make informed career decisions *and* build a future talent pipeline. HOP is the premier gateway in Hertfordshire to find out about: career path options, employment opportunities, apprenticeships and work experience, skills development and professional qualification programmes.

**VIRTUAL EMPLOYER ENCOUNTERS**

*Webinars for students*

[Click link](#) – to view a range of webinars talking to real employers

See webinars on: hair, beauty and media make up, sports development, event production, NHS, Tesco, child care, sports broadcasting, charitable work, environmental sustainability, graphic design, law, business, engineering, dentistry, bricklaying **and many more.**

Have you looked at your Unifrog account? 

All students from year 7 through to year 13 have a Unifrog password. Unifrog is a one stop shop for careers! It has all information for different pathways & routes into different industries/careers and information around universities and apprenticeships. If you haven't logged in, I suggest you do and start to look around, this is an excellent resource to log your experiences in and outside of school using the 'Activities' section.

Click [here](#) to apply and find out more.

Apply by 8<sup>th</sup> January

For this fantastic STEM opportunity

Click [here](#) to find out more

Please find a marvellous (free, travel-based) STEM opportunity with the AFS Global Stem Academy. Each destination has a prestigious, personalised itinerary with multiple opportunities to immerse yourself in the culture, history and current STEM reach on various continents.

The Academies begin with a 12-week virtual e-learning curriculum (from home), engaging in global competence skills, social impact, and sustainability-focused workshops, with content co-developed by AFS and the University of Pennsylvania Center for Social Impact Strategy. The virtual portion of the program culminates with student-led social impact projects and presentations that offer potential solutions to real-world challenges, with an emphasis on sustainability and the UN Sustainable Development Goals, including the topics of climate change and the energy transition.

After completing the virtual curriculum, Academy scholars travel on a 4-week immersive experience to one of the six Academy destinations: Brazil, China, Egypt, Europe, India, or the USA. Academy programming focuses on critical STEM skills and intercultural understanding for global sustainability, as well as local cultural immersion. Scholars participate in community service and have the opportunity to visit local innovative, sustainability focused operations to see first-hand how companies and organizations are using STEM skills in practice to address industry and societal challenges, particularly around sustainability.

Program scholars earn the Advanced Certificate on Global Competence for Social Impact, awarded by AFS and the University of Pennsylvania Center for Social Impact Strategy.

I love learning.  
But I didn't want to go to uni.  
And I'm perfect for MI6.

Business Support Officers  
 SECRET  
INTELLIGENCE  
SERVICE MI6  
Secretly, we're just like you.

**Business Support Officer**      **London**      **£31,393**

We're MI6 - the UK's Secret Intelligence Service. We work globally to keep the UK safe from overseas threats. Using cutting-edge tech and innovative techniques, we gather intelligence to help stay ahead of our adversaries. But we couldn't do any of it without our Business Support Officers. Now, we're looking for motivated people to join us and be right at the heart of MI6.

As a Business Support Officer, you'll have an influential and rewarding career. Everything you do will keep our projects and teams running smoothly – both at home, and overseas. You might support operations by coordinating visits with intelligence partners, managing secure communications and making sure the right information reaches the right people. No matter the task, you'll get the best out of yourself, and our teams. You'll have the opportunity to develop and be encouraged to think up new ways of doing things.

You might have just left full-time education, or you might be looking for a career change. Either way, if you're organised, proactive and flexible, you'd be perfect for MI6.

**Our roles are as unique as you are. Find out more and apply via our [website](#).**

**EXPLORE**

Are you aged 11-14? Click [here](#)

Do you dig dystopian drama, spine-tingling short stories, and classic Young Adult fiction? **Join our Explore Book Club** -- it's been created especially for you!

The purpose of Explore Book Club is to introduce you to stories & poems that you might not have come across in school & encourage critical thinking & debate around each text.

Tues 24<sup>th</sup>  
January  
2023

5pm-8pm

You are invited to our next in-person Black Heritage event at the Vue Cinema Leicester Square, London, taking place on **Tuesday 24th January**. Our female focused event was a massive success and we're really excited to be running another event back to Leicester Square, this time to celebrate diversity and young black talent.

So far: 'Big 4' constituent Accounting and Professional Services firm PwC, American media company Bloomberg, Legal & General, a British multinational financial services and asset management company as well as two Technology giants World Wide Technology and BT Group are all attending with more global companies still to be announced! There will be a series of panel discussions, keynote presentations from senior black leaders and as always lots of networking opportunities!

#### Key Event Details:

- BT, PwC, Legal & General, World Wide Technology & Bloomberg are confirmed so far with more to be announced
- **Venue address:** Vue Cinema Leicester Square, London WC2H 7AL
- Black Heritage Focused Event for students looking to get into the Business, Accounting, Technology or Law sectors
- Certificates will be given out on the night as well as some fantastic prizes including iPads, AirPods and much more!
- The suggested dress code is smart casual.
