February 2023

A message from Miss. Carter.

It has been a short, but busy half-term.

You have all continued to work hard in your chosen subjects and are producing some really impressive work. It has been lovely to receive emails from some of your teachers recognising your achievements.

It is important to recognise that we are over a quarter of the way through your GCSE journey, it is more important than ever that you are in school every day, on time, and working your hardest in all of your lessons. If you feel that you need support, you must ask for it.

Enjoy the half-term break, have plenty of rest so as you are ready to return on Monday 20th February for another, very busy half-term.

Thank you to all students that continue to work to the very best of your ability.

Miss. Carter.

A message from Mr. Walsh.

Kindness and perseverance are just two of the traits we would like our HT students to demonstrate during their time with us. Miss Carter and I have been reiterating these traits with students at every possible opportunity, particularly if they have been unkind to others or given up easily. Students need to have a single-minded determination to be the very best that they can be and never accept that a poor effort will be good enough.

Students understand our three core rules of "Ready, Respectful and Safe" and know that failure to live up to these will result in sanctions being applied. We are fully committed to your child's future and will not accept anything less than their very best each and every day whilst in school. We thank all of our wonderful parents and families for their commitment and support to enable the best possible outcomes at GCSE. The journey has only just begun...

Mr. Walsh

Attitude to Learning Recognition Lunch.

On Friday 27th January, 32 Year 10 students who achieved an average ATL grade of 4 or above in all subjects, were invited to a 'Recognition Lunch.' It was a chance to relax with friends, whilst enjoying some pizza and other treats. We hope to plan more rewards and to be able to invite even more students for going above and beyond on a daily basis, in every subject. Well done to you all.

Well done to two of our BTEC Music students.

"Bella has made excellent progress on the drums since starting lessons in September as part of the Year 10 BTEC music course." – Mrs. Nicholson.

Indzhi gave an amazing performance of 'For Whom the Bell Tolls' by Metallica in all of our year groups assemblies throughout the week. Your guitar skills were enjoyed by all Indzhi.

Well done to two of our CNAT Sports Studies students.

"Alfie Thurlow and Henry Shilton led as part of their GCSE grade an outstanding rugby session, which will be marked in the top grade band for that part of the unit. They were fantastic." – Mrs. Ashby.

Some really exciting experimental work from our GCSE Art students.

Mrs. Megaw was particularly impressed by our GCSE Art students workshop on different drawing techniques, as a skill building exercise.

The first image was a tonal realistic drawing over 3 lessons, in a further lesson they explored from the same image: continuous line; use of opposite hand; blind drawing; drawing on top of the head and broken line.

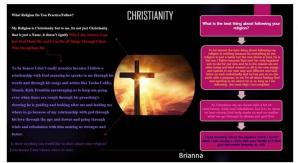

World Religion Day 2023

Well done to Brianna Green who wrote a lovely piece for our World Religion Day 2023 Activity Black Box.

 I am a Christian, I believe in God and Jesus. I believe that by following Jesus I will live with God in heaven forever. The most important thing in my religion is to love others, respect them and help those in need.

 What I like most about my religion is that God is my father, loves me and forgives me. Jesus is my true friend who will always choose me and never leave me. My religion is a religion of peace, forgiveness, love for people and animals and helpina

Risen!

Hallelujah!

Attendance matters, all day, every day.

Attendance to school is really important to us and we put a lot of time and effort into ensuring that you all attend school on time and as often as possible. Good attendance is essential to attainment at the end of Year 11. Good attendance is defined as having an attendance percentage of 95% or more. A student with an attendance percentage of 90% is likely to achieve 1 grade lower than their predicted grade, whilst a student with an attendance percentage below 80% is likely to perform 2 or 3 grades lower than their predicted grade. Make sure you are in school every day. If you are not in school, you are not learning.

Well done to the students below that have 95% + attendance. (Up to 07.02.23)

All students should be completing a minimum of 2 x 45 mins a week.

Have you logged on this week?

Hegarty maths is a usual tool for consolidating learning in class and a great revision tool. It includes videos and quizzes for the majority of the maths curriculum. All students should be completing a minimum of 2 x 45 minute sessions a week. All tasks set by your maths teacher should also be completed.

Logging on: www.hegartymaths.com

To log on, you just need to add your first name, last name and date of birth. If this is the first time visiting the site, you will be prompted to create your own password. If you have forgotten your password, you will have to ask teacher to reset it.

Simple instructions below:

- Click on 'My tasks' in the top right hand corner to view any tasks you have been set. Choose one and click on 'Start task.'
- First watch the video and make notes.
- Then click on 'Do Quiz.' Complete the questions in the quiz.
- If it is correct, you will find out instantly. If you enter an incorrect answer you will have one chance to correct it.
- If it is still incorrect then you will be told the correct answer. You can also message your teacher underneath.
- At the end of the quiz you will get a score. Your teacher will see how long you spent doing the quiz and how much of the video you have watched. Your teacher will also see how many times you have done the quiz, which questions you got right and wrong, which answers you put and the time spent on each one and the date and time of when you did it.

Selecting a task of your choice - If you wish to select a topic of your choice which has not been set by your teacher you can do this by searching in 'Choose Lesson' tab in the top left hand corner.

Or you can enter a topic area in the 'Search Hegarty Maths' bar. This will still record how long you have spent doing quizzes and your teacher will be able to see what you have been doing.
