

Active Broxbourne: Only One Week Left To Apply For Opportunity Funds

Dear Colleagues,

Two local opportunity schemes are nearing their respected deadlines for applications. Deadlines for Broxbourne Borough Council's '**Opportunities for Excellence**' scheme and the Herts Sports Partnership's '**Opportunities Fund**' scheme end next week on **31 March 2023**. Further details about both can be found below. Please share with anyone who you think might benefit.

The long-running '[Opportunities for Excellence](#)' scheme is funded by Broxbourne Borough Council and enables **residents aged 11-30** to apply to receive a free gym membership to help them improve in their chosen sport. The Council runs this scheme to assist local, talented athletes to achieve their full potential.

Any member of the community who is competing at county level and above will be eligible to apply.

For more information and to apply, simply [click here](#).

The Herts Sports Partnership have recently launched a new [Opportunities Fund](#) to help support children in our Active Local areas in Hertfordshire access Sports Club opportunities throughout the coming year.

The fund is aimed at supporting children in our Active Local areas (**Waltham Cross**) to join a local community club. There is up to £200 available per child which can be used towards membership and or equipment. It is recognised how beneficial attending clubs can be for a young persons social and emotional wellbeing and there can often be talented young people who are unable to reach their full potential, as a result of not being able to afford access to opportunities.

Please click [here](#) for more information and how to apply. Please note that you the club will have to apply on behalf of the child and the money will go directly to the club.

Many thanks,

Matthew Ridley
