Careers Bulletin

AMBITION • PRIDE • SUCCESS

28th March 2023

Dear Students, Families and Colleagues

Since our last Bulletin, we have had a successful National Apprenticeship Week and National Careers Week. It was really enjoyable to lead assemblies during National Careers Week and highlight that jobs and careers will change by the time students leave school, but key qualities, characteristics, and skills largely remain the same.

We have had a busy period, with Y12 students attending Pharmaron, a Pharmaceutical Company in Hoddesdon, speaking to employees and seeing the outstanding equipment and resources in their labs. Y13 students attended ComputaCentre in Hatfield, a leading IT company across the country. Y7 & Y8 students had a music performance who spoke about their journey becoming a musician and teacher. Some Y10 students got to attend Generations Broxbourne which is a Careers Fair, ran by Hertfordshire Careers Hub. Our students said this was hugely informative and gave real insight into futures on their doorsteps.

As part of National Careers Week and since attending Generations Broxbourne, Careers Fair we know how important information is for our students at HT. I want to draw your attention to '[HOP Into](#)' Website. This a website I always promote on my bulletin, but it has had real investment recently and has a huge amount of information about all aspects of careers in Hertfordshire. I really recommend you going through it and utilising the excellent resource this is for our community.

As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

Yours faithfully

Gonville & Caius

UNIVERSITY OF CAMBRIDGE

CAIUS EXPLORE

Our 2023 edition of the **Caius Explore** competition is now LIVE! This is a creative competition that aims to help prospective Cambridge students develop their subject-related interests. Each subject has a unique task; previous years have featured essays, presentations, podcasts, and even designing your own language! This is the perfect way to enhance a competitive application through super-curricular exploration. We invite the authors of our favourite entries to attend a celebration day in Caius. Although this programme has been designed for Year 12 equivalent students, *students in younger years are welcome to submit as well*. Full details are available [here](#).

SUBJECT TASTER EVENINGS (Year 12s, online)

Don't miss out! Sign-ups for our virtual 'Subject Taster Evenings' remain open; these run from 19/04 to 10/05 from 5:00-6:30pm. They give students the chance to meet our Directors of Studies (lecturers in charge of undergraduate teaching), hear from current students, and experience Cambridge-style teaching. Further details are available [here](#), and students can sign themselves up using [this link](#). The deadline for signing up is 5:00pm on **31st March**. Students can sign up to as many as they like!
