

## Haileybury Turnford fundraiser for Diabetes UK

Haileybury Turnford Sixth Form in Cheshunt raise £1,210.91 in aid of Diabetes UK

Students were delighted to have been able to make Diabetes UK the Sixth Form charity for the year, a charity that is close to their hearts due to both students and staff members who live with Type 1 and 2 Diabetes.

The Sixth Form have spent the last year fundraising in a bid to support Diabetes UK and the people and families who live with Type 1 and Type 2 Diabetes. The year-long push was run by Sixth Form students who ran a multitude of events such as Wear Blue Wednesdays, cake sales, photoshoots, raffles, awareness assemblies and culminated in one student running a Half Marathon. Their efforts raised an impressive £1,210.91 which will hopefully go a long way in supporting a charity that has been a life-line to many staff and students in the school.

Haileybury Turnford Head students Jamie Curry and Rebecca Fletcher stated that “It was a pleasure to be able to raise money for such a great cause. We see first-hand how difficult life can be for sufferers and are so proud that we could be a part of making a difference.”

This is an excellent achievement for the Sixth Form students at Haileybury Turnford, which showed their true dedication and kindness, characteristics that as a school we are delighted to share with the local community.
