

A message from Mr Newman

Another excellent year for our school!

It has been an incredibly busy end to the academic year, as shown by the wide range of activities and events highlighted in HT News! We have welcomed our new Year 7 and Year 12 students into school for their transition activities, witnessed a brilliant school production of Matilda, a wonderful Music Showcase, numerous trips and visits, Enrichment Week with our Sports Festival, and much more too. Our two Awards Evenings held last week were real highlights when our most committed students were rewarded for their hard work and achievements from this academic year. Celebrating our students' successes is such an important part of our school culture, and I would like to thank our families for your continued support for all we do to provide the best possible quality of education for your children.

I would like to wish all families a very pleasant and enjoyable summer ahead.

Class of 2023 Leavers

We said good luck to our Year 11 leavers at the end of this summer's exam period and celebrated their time in school at our Leavers' assembly and Prom. We send all students our good wishes for their futures, whether it is moving into sixth form, college or into an apprenticeship.

From the Music Department

We have witnessed how all of our performers have grown in confidence over the year. Performing at our end of year Music Showcase and at Awards Evenings this month.

Each week we have assemblies where one student performs in every assembly. Thank you to all our students who have had the courage to perform in assemblies throughout this academic year.

The Music Department has seen a growing number of our instrumental students being entered for **external music grade exams**. We have had singers and guitarists being entered for a range of grades. Congratulations to the following students: **Molly-May Guest, Vincenzo Mistretta, Maggie-Mae Mckiernan and Alexander Sheffield**. Instrumental lessons are available to all students with Hertfordshire Music Service.
