

8th September 2023

Dear Parent/Carer

I would like to draw your attention to the planned **Welcome and Key to Success Evening for Year 13** meeting on **13th September at 5pm** at Haileybury Turnford.

The meeting will give parents and carers a chance to meet with the Head of Year supporting your child. The meeting and presentation is intended to share information about destinations and next steps after Sixth Form and how we can work together alongside parents and carers to ensure your child receives the necessary support to succeed and achieve to the very best of their individual ability.

If you are to attend please book a place using the MS Form link provided below.

Students are not required to attend this meeting, but are encouraged to join the meeting should they wish to.

We look forward to welcoming all of our Parents and Carers and would encourage everyone to attend.

Yours faithfully

Mrs A Jones

Assistant Head of Sixth Form and Head of Year 13
