

Dear Students, Families and Colleagues

I hope you had an excellent half term and are well rested and refreshed. Look out for my assembly next week, I will be talking about an amazing opportunity to gain a huge insight into the Aviation Industry. Soaring for Success have been completing a large number of webinars with a range of different careers based in Aviation. This is part of a three-tiered approach to broaden young people's understanding of the Aviation Industry. Not only will students have access to watch these webinars, but there is an opportunity for up to 15 students across the country to fly a plane! More information to follow in assembly. Good luck to Year 11 and Year 13 students who are sitting mocks in just over a week. Remember to be logging into Unifrog to give you an insight into your next stage of your life whether that be after Year 11 or Year 13. Unifrog gives you lots of information around next steps, apprenticeships, universities, real work and much more.

I am on the look out for parents who are willing to give up 30 minutes of their time to share insights into the jobs and their pathways with our students. I want to launch a regular drop in service during our lunch time for employers to pop in and speak to some of our students for around 20 minutes during lunch time. Research suggests that exposure to a range of careers can benefit students' outcomes and opportunities in the future. If you are interested please email me on the email below with the title: 'HT Lunchtime Careers Sessions'.

Those of you in Year 12 or Year 13 please look out for Mr Lindquist's 'HT Express' which gives you a vast read of information around all elements of Sixth Form life: including; University information and open days, apprenticeship information and mental health and wellbeing support. If you want to take a deeper look into Careers at HT then please visit our website and see our partners, general information about Careers at HT and copies of previous bulletin posted. As ever, please have a look through and click on the links to various different websites for more information and any questions please get in contact with me.

Macaulaye@haileyburyturnford.com 01992 308 333 ext: 300

Yours faithfully

Mr E Macaulay

Assistant Principal & Careers Lead

POWERED BY HERTFORDSHIRE LOCAL ENTERPRISE PARTNERSHIP

Sutton Trust US 2023 University Access:

In partnership with The Fulbright Commission, the Sutton Trust US Programme is designed to support students from state schools across the UK to explore US University options.

It includes two UK-based residencies and a week in the United States staying on a university campus and visiting a variety of American universities. An optional second year of the programme supports students to apply to US universities alongside their UCAS options. **All costs including travel, accommodation, food and activities are covered by the Trust and our partners which means it is completely free of charge for students to attend.**

Choosing the right GCSEs, A-Levels, BTECs, and T-Levels

Deciding which subjects to take can be daunting for students who are still undecided about their post-school plans. Unifrog are running two webinars in December especially for these students, in which experts will take them through GCSEs and various post-16 options, and offer tips on how to decide their best next steps.

> [Choosing your GCSEs](#) (11 Dec)

> [Choosing your post-16 options](#) (12 Dec)

Apply for a Hospitality Apprenticeship with Lifetime Training!
