26th February 2024

Dear Students, Families and Colleagues

We celebrated National Apprenticeship Week on the week of 5th February. We hosted a Year 10 'Welcome to Dell' talk, held virtually to our DIT students who had a career talk from staff at Dell and the apprenticeship routes into the industry. Thank you, Mr Tagliarini, for setting this up. We also had ASK apprenticeships in talking to Year 10 in Assembly, as well as our Sixth Form students. This gave a good insight into the different levels of apprenticeships and debunking some myths around apprenticeships. We had a focus during form time on apprenticeships and what they are, as well as information on Class Charts to deepen our understanding and see some real-life examples of apprenticeships. Overall, it was a great week to celebrate apprenticeships, with one of our Year 13 students already securing a full-time apprenticeship in London starting in September!

We now look forward to National Careers Week 4th March – 10th March. We will have Generations Broxbourne to look forward to on the 6th March, a Careers Fair at The Spotlight in Hoddesdon. This will be a trip for Year 10 students, as well as an evening opportunity for students and parents from any year group to attend. More information to follow. Careers Week will have lots of information and opportunities for all, so keep a lookout.

Want the chance to fly a plane? Listen out for instructions coming out soon on completing the 'Soaring to Success' programme, which gives you a real chance of flying a plane this summer.

If you want to take a deeper look into Careers at HT, then please visit our website and see our partners, general information about Careers at HT, and copies of previous bulletins posted. As ever, please have a look through and click on the links to various different websites for more information and any questions, please get in contact with me.

Macaulay@haileyburyturnford.com 01992 308 333 ext: 300

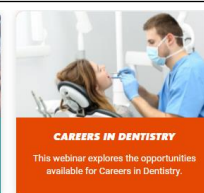

Yours faithfully

Mr E Macaulay

Assistant Principal & Careers Lead

26th February 2024

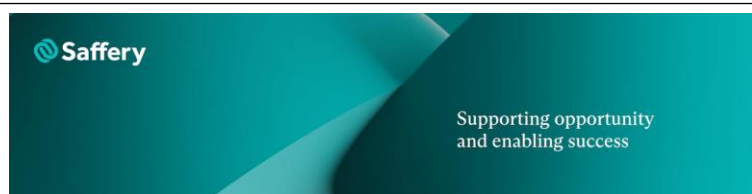

Introducing **Access Accountancy: Discover Your Future**, the competition that encourages students to watch engaging videos featuring a diverse range of accountancy insights for a chance to win a **£500 tech voucher**!

Not sure what career path to choose after school?

Explore the exciting perks of a career in accountancy with our engaging video series. Then take our quiz for a chance to win a **£500 tech voucher**!

Two new videos will be added every three weeks, so make sure to come back and enter again to boost your chances of winning.

[Enter now](#)

Apply now to our accountancy Apprenticeships!

There's still time for you to apply for an accountancy apprenticeship scheme, where they'll earn a full time salary as well as receiving full financial support towards a professional qualification. We understand it can be daunting when choosing a role to apply for, so we'll always consult with students throughout our application process to ensure they find the right path for them at Saffery. [Apply now](#)

Have your voice heard!

RateMyApprenticeship has launched its big [Student Research Survey](#) for 2024, to obtain insights into the apprenticeship market and find out what is driving student behaviours when it comes to their careers.

They do this in the hopes of providing a better overall career experience to students, and to help drive positive changes in the apprenticeship landscape.

Students who fill in our survey will also be entered into a £250 prize draw, where 5 students will have a chance of winning a £50 voucher.

CBRE GWS Virtual Insight Session – register [here](#)

Global Workplace Solutions is one of CBRE's biggest and fastest growing business units.

They want to invite your students (in years 11 - 13) to their virtual insight session so they can discover more about the career opportunities available with CBRE GWS! Including their **Level 3 Technical Engineering roles**. Event details: **Wed 13th March 6.00pm-7.00pm**

Applications Now OPEN for Apprenticeships programmes at **Standard Chartered Bank**, London.

Are you a Year 13 students who would like to work:

- On the Trading Floor of a global bank, learning the mechanics of trading from experienced city traders

26th February 2024

Applications for the University of Cambridge's **Aspiring Scientists** Training Programme have now opened. From 7th to 12th July, for one week, you will be able to:

- Spend afternoons in a lab each day, learning and practising research techniques.
- Attend four bespoke, interactive workshops with experts.
- Research a scientific topic or technique and create and deliver a presentation to peers and researchers.
- Meet and network with PhD students and other scientists to talk to them about their jobs and get advice about careers and educational opportunities.
- Explore Cambridge University, with the opportunity to ask questions and get advice from staff and students.

Please find more information and the application link at the following website:

<https://www.gurdon.cam.ac.uk/programmes/astp/>.

Feel free to discuss with Ms Jethmalani for support

We're so glad that over 1,000 Unifrog students logged in to our Apprenticeships Fair this month. For those who are thinking of going to university, our upcoming virtual University Fair is open to **Years 10-12**. Teachers, advisors, parents, and caregivers are also welcome to join!

Your students can attend **live sessions** on topics including student finance, contextual offers, subject spotlights, and city vs. campus universities. They can make **meaningful connections** with reps from **40 universities**, including the University of Exeter, Cardiff University, Queen's University Belfast, and Royal Holloway University of London.

We will also be running an **exciting competition** during the fair. The most **interactive, engaged student** will win a prize that will help them get one step closer to their dream university course!
