Dear Parent/Carer

Pearson National Teaching Awards 2024

The Pearson Teaching Awards celebrate the work that takes place in education every day across the UK. The aim of the awards is for teaching and support staff across early years, schools and colleges to feel appreciated, celebrated and proud of the work they do and the difference they make. The awards are now in their 25th year and more details can be found here: <https://www.teachingawards.com/the-2024-pearson-national-teaching-awards/>

It is possible for parents and carers to make an entry for The 'Unsung Hero' Award. This category is open to every person who works in our school community including support staff. If you would like to make a nomination for your unsung hero from Haileybury Turnford, for someone who goes the extra mile every day and deserves recognition from the Pearson National Teaching Awards, please could I encourage you to make a nomination. Nominations must be made online and by 1st March 2024.

Thank you for your continued support for our school community.

Yours faithfully

Robin Newman
Principal
