

Haileybury Turnford Equality Objectives Evaluation – March 2024

This document is an evaluation of the school's Equality Objectives, which were set in April 2023.

As a public body, Haileybury Turnford must comply with the public sector equality duty (PSED) in the Equality Act 2010 and the Equality Act 2010 (Specific Duties and Public Authorities) Regulations 2017. This means that Haileybury Turnford must publish:

- details of how it complies with the public sector equality duty, and must update this every year
- its equality objectives, which must be updated at least once every 4 years

Haileybury Turnford will demonstrate compliance including details of how it is:

- eliminating discrimination
 - advancing equality of opportunity – between people who share a protected characteristic and people who do not share it
 - consulting and involving those affected by inequality, in the decisions the school takes to promote equality and eliminate discrimination
1. *All staff to participate in anti-racism training throughout academic year 2023/24, which will continue from the work currently underway during 2022/23, as part of the school's work as an anti-racism school.*
 - An Anti-Racism Policy has been agreed and implemented to support with the school's commitment to eliminating racial discrimination and diversifying the curriculum which was approved at Governors' Education Committee on 8th February 2024 and will be reviewed every 2 years.
 - All staff continue to receive anti-racism training as part of the planned calendar of training – this is ongoing for the rest of this academic year, and the programme for 2024/25 will be planned in detail in due course.
 2. *To promote anti-racism and racial harmony amongst the student body. This will involve regular information to students on our zero-tolerance approach to racism in any form, and a rigorous follow up to any incidents, but also positive reinforcement through the curriculum of the achievements and lives of people from different races and nationalities.*
 - Promotion of different religions and faiths, including awareness and work during Ramadan, Black History Month and for Holocaust Memorial Day.
 - The school is committed to responding robustly to any reported incident of racism including supporting both victims and perpetrators through education, reconciliation and resolving issues. This is carried out by rigorous follow up and robust responses taken towards all reported racism and racist comments by the Pastoral Teams and evidenced by reports to governors, student records and incident records.

- Promoting anti-racism through being committed to tackling direct and indirect racism including unconscious bias and micro-aggressions with students and staff as stated and outlined in the school's Anti-Racism Policy.
 - Our commitment and intent to diversify the curriculum, as evidenced by new lessons in a number of subject areas in the past 12 months. This will be further developed in 2023/24 following the school's recent curriculum review process.
3. *To analyse exclusions and racist incidents by ethnic group and to combine this with existing data on public exam performance by ethnic group, with a view to seeing whether further action is needed.*
- Exclusions and racist incidents are analysed by ethnic group and reported regularly to the Governors' Education Committee.
 - In terms of progress and achievement, ethnic groups perform very favourably compared with White British students. Further analysis takes place between all different ethnic groups and is reported to the Governors' Education Committee.
4. *To raise participation and enjoyment in co-curricular activities for students with protected characteristics.*
- An evaluation of co-curricular participation and enjoyment is reported termly to the Governors' Education Committee and next steps are considered by the Senior Leadership Team following each review.
 - The school wishes to further promote and encourage the participation of all students with protected characteristics in co-curricular activities, and this will be led by pastoral staff in each year group.
5. *To promote the principles in the school's Anti-Homophobia, Biphobia, and Transphobia Policy and ensure all staff are confident in promoting equality in relation to sexual orientation and gender reassignment.*
- Promoted through the school's assembly programme and tutor updates to students, including information shared in February 2024 by tutors.
 - The continued diversification of the curriculum to promote the elimination of all forms of discrimination.
 - To consider further training for all staff following the publication of the government's Gender Questioning Children non-statutory guidance for schools and colleges in England, published in December 2023.
