

Robbie Lea Water Safety Partnership

Lee Valley Regional Park Authority, Hertfordshire Police and Hertfordshire Fire & Rescue staff delivered life-saving water safety information to 177 Year 7 students from Haileybury Turnford. The Year Achievement Coordinator for Year 7 said 'Really useful – massively improved students understanding of risks and how to react if in a dangerous situation.'

More details of the partnership can be found at: [Staying safe around water | Lee Valley Regional Park \(visitleevalley.org.uk\)](#)
