This holiday provision is for school aged children from Reception to year 11 (inclusive) who receive benefits-related free school meals. A booking code can be obtained from the child's school.

Professionals that know of a family who would benefit from attending the HAPpy camps but do not receive free school meals, can contact the Herts Sports Partnership on haf@herts.ac.uk to make a referral and request a code.

There are various sites across the Borough delivering HAPpy camps in the Easter holidays. These can be found at: <https://sportinherts.org.uk/happy/booking/>

Some of these include:

- Isabella House, Waltham Cross (Broxbourne Council) from Monday 29 July to Friday 23 August.

CHEXS works within the local community, supporting families of children that attend our partnership schools, supporting homelife stresses as well as managing difficult behaviour with their children. Parents/carers are given advice and direction through face-to-face meetings, which can include helping access support with benefits, obtaining emergency grants, help with energy bills, for example accompanying them to local Post Office or amenities to top up energy supplies, reducing outgoings, resolving housing problems, and/or getting mental health support. We will also provide direct support as well as helping parents or carers access support from other agencies. We provide Foodbank vouchers for families and family support through face-to-face parenting workshops giving parents/carers opportunities to learn and strengthen their parenting skills. We support the whole family through face to face meetings and activities within Schools, home and community venues.
