Dear Parents/Carers

Summer Holiday Activities for Students

We hope you and your child or teen are excited about Summer HAPpy Camp bookings going live this Thursday (27th June) at from 12.00 noon. Camps run from the 29th July and will offer free fun, food, and physical activity during the summer holiday.

To make booking easy and to help you get the most for your child from the camps we have created a video 'how-to guide' to using the Playwaze booking system.

You can watch the booking guide at <https://bit.ly/SE4S24HelpToBookHAPpy>

If you need further support with booking online, all of Hertfordshire's libraries offer help accessing digital services.

Get ready for when bookings go live at midday on Thursday 27th June:

Firstly, have your unique HAPpy Camps booking code TJM?UZ ready – you'll need it to book.
Next, watch the how-to guide video today via the link above.

Then, discuss with your child or teen the sort of camps they might like to go to.

Lastly, go to <https://bit.ly/SE4S24BookHAPpy> from 12.00 noon this Thursday 27th June to book.

Yours faithfully
