Subject leader: Miss Ridgeway; email: ridgewaye@haileyburyturnford.com

BTEC L3 Ext. Cert. Child's Play, Learning & Development
Miss Ridgeway
Haileybury Turnford

1. Theoretical approaches

In unit 1 you **will be learning about all of the theorists listed below** and their approaches to how children learn and develop:

- **Lev Vygotsky**
- **Jean Piaget**
- **Noam Chomsky**
- **Jerome Bruner**
- **B. F. Skinner**

Task:

1. Choose a theorist from the list above.
2. Research: who are they, why are they known in the education world, what are their approaches to children's development and learning styles?
3. Print out your information and put it in your folder, under divider titled UNIT 1
4. Be prepared to share this information in class in September

2. Knowledge and understanding of CPLD

Tasks:

1. What is the 'nature vs nurture' debate?
2. All children grow. Or do they? In what different ways can a parent/carer influence how a child grows?
3. Research who is Baby P and what happened to him?

There are some fantastic TV programs and books that will give you insight into topics we will study.

READ: A child called It by David Pelzer (go to your local library or buy a copy on eBay)
