

Press Release

Singing Festival Haileybury Turnford

On Thursday 20th June over 60 children took part in a concert as part of a collaboration project between Hertfordshire Music Service and Haileybury Turnford. The singing festival was a transition project working with Year 5 and 6 in three primary schools, Brookland Junior School, Longlands Primary School and Milbrook Primary School, as well as the secondary school, Haileybury Turnford. The three primary schools learnt and performed a song of their own choice, using Sing Up and Haileybury Turnford performed 'Someone you loved' by Lewis Capaldi and Refuge by Howard Goodhall. For the finale, all four schools performed, 'Let it go' from Frozen and 'You've got a friend in me' from Toy story. Schools were offered a singing support session prior to the concert, working on their vocal technique and their chosen pieces.

We would like to thank Haileybury Turnford for their support and giving all the students the opportunity to perform together at the school. It was a fantastic afternoon for both students and parents where young people could come together and enjoy music.
