

9th October 2024

Dear Parent/Carer

It has been an excellent start to our new Year 7 students at Haileybury Turnford. Individually, and as a year group, they have made a very positive impression. We hope they have enjoyed their first 5 weeks at secondary school.

Thank you to families for joining us at our Key to Success Evening which we hope you found informative and supportive.

A wide range of co-curricular clubs and activities can also be seen on our website and a very many Year 7 students have already joined clubs. Our expectation is that all students will join a range of co-curricular activities, helping them to make friends from across the year group and adding enjoyment to school life.

We are also seeking further feedback about the start of Year 7 and would be grateful if you could take a few minutes to complete the survey, found at the link below by **Monday 14th October 2024**. This will really help us to develop the quality of education for your child(ren) further as they move through key stage 3.

Thank you for your support.

Yours faithfully

Robin Newman
Principal
