Dear Parent/Carer

Update on official Haileybury Turnford social media accounts

We have recently reviewed our use of social media and have made the decision to discontinue using X (formerly Twitter) to post updates about Haileybury Turnford. We have seen a decreasing number of people engaging with our posts on X and the wider use of X does not align with our values, due to misinformation and extreme views posted across the platform.

We will continue to use Facebook, Instagram and LinkedIn to post information about Haileybury Turnford on social media. Our official Haileybury Turnford social media links can be seen here:
