

27th November 2024

Dear Parent/Carer

Whole School production High School Musical

The Creative & Performing Arts Faculty kindly invites you to watch our whole school production of High School Musical on Thursday 12th December and/or Friday 13th December at 5.00pm in the main hall.

The students have worked incredibly hard on this production, giving up their evenings since September to rehearse and practice their acting, singing and dancing. Whether your child is performing in the show, has helped with props and sets or even if they have not participated this year, we warmly welcome you to come and support our students. Your support is very much appreciated. Tickets are available on ParentPay for £6.00 for adults and £3.00 for students, please ensure you choose which performance you wish to attend.

There will be limited tickets available to purchase on the door, but please do bring some cash as we will be serving refreshments including sweets and popcorn during the interval. All taking will be put to producing next year's production.

We hope you can join us and look forward to welcoming you to Haileybury Turnford.

Yours faithfully

Mrs H Wells
Faculty Leader – Creative & Performing Arts
