Dear Parent/Carer

Thank you for taking the time to complete our Parent Survey recently.

A summary of the results can be seen below. We are very pleased with the results from parents, which indicates your confidence in the quality of education we are able to provide at Haileybury Turnford for your child(ren).

Thank you for the feedback to Questions 14 and 15. Inevitably, there was a wide range of comments in response to each question, and we have tried to look for common themes.

What aspects of provision at HT are specific strengths?

- The high quality of teaching, expertise and care from our staff
- The regular, quick and supportive communication, to both individual issues, and on providing general information and updates on a regular basis
- The inclusive, and friendly nature of the school
- The care shown by staff towards students to support them at school

What aspects of provision at HT could be improved further?

- The quality of the school buildings
- The frequency, and types of homework to support learning from school
- Levels of communication, and the frequency of updates about the curriculum and the progress of your child(ren)
- Continue to develop approaches to manage the behaviour of students, to ensure specific students can be more self-disciplined and respectful to others

You said ... We did

We will continue to develop our approaches to teaching and learning, and pastoral care, to ensure this provision is as effective as possible for all students. This is supported by regular professional development for our staff, and work with our students to help them to be as self-disciplined, respectful and kind to others at all times.

Our curriculum can be viewed on the school website, and we update this periodically, to reflect the changes we make to our curriculum over time. A good starting point, is this webpage: <https://haileyburyturnford.com/cu/> which provides an overview for by year group and subject. There is also further information about the Key Stage 3 Expected Standards here: <https://haileyburyturnford.com/expected-standards-ks3/> and the slides from the recent Parent Forum about our Progress Updates and Reading strategy can also be viewed here: <https://haileyburyturnford.com/app/uploads/2025/01/Parent-Forum-slides-January-2025.pdf>

Please do not hesitate to contact the relevant member of your child's Pastoral team, should you have specific queries, or you require further support with accessing Class Charts, <https://www.classcharts.com/parent/login> which is the place to view information about your child. Subject staff can also provide further support with signposting additional materials to support learning too; please do not hesitate to contact the relevant member of staff if required. Homework is an area we are continuing to focus on, ensuring the homework activities set fully support student progress. In addition, do look at your child's exercise books with them, which will show their learning in further detail, and also show where they have completed feedback to help their further acquisition of knowledge, skills and understanding.

We will provide further updates about the Department for Education's School Rebuilding Programme in the weeks and months ahead. The Department for Education is about to go through the process of appointing the contractor, and planning permission will follow that process during the next few months of this calendar year. We will be able to share detailed plans once planning permission is been applied for. We are fortunate that all existing buildings will be replaced, other than K Building which opened in autumn 2021.

Thank you again for your feedback which is really valuable to us. Please do not hesitate to contact the relevant member of staff with specific queries at any time; equally, should you wish to contact me directly, I can be contacted at newmanr@haileyburyturnford.com.

Your faithfully

Robin Newman
Principal
