Dear Parent/Carer

Every Time You Shop, Drop a Blue Token for HT!

I am delighted to share some exciting news with you. Haileybury Turnford has been shortlisted for Tesco's Stronger Starts grant. This means that from **Tuesday 1st April**, our school will be part of Tesco's in-store blue token voting scheme, giving us the opportunity to secure funding that will transform our school garden into an inclusive and supportive space for our students.

THE VOTE OPENS 1ST APRIL

This funding will allow us to completely revamp the school garden, creating a calm, welcoming and accessible environment that will benefit students across the school. This project will have a special focus on our SEND provision and supporting vulnerable young people, offering a safe and peaceful space for mentoring, counselling sessions and outdoor learning. Additionally, this initiative is a key part of our Wellbeing Project, which will provide students with hands-on experience in horticulture and agricultural learning. Students will take an active role in planting herbs and crops, which will then be distributed to the wider school community, promoting sustainability and healthy living.

This is a cross-curricular project, bringing together elements of enterprise, business studies, food technology and geography, giving students valuable practical skills and real-world learning opportunities.

How You Can Help:

Every time you shop at Tesco from Tuesday 1st April, you will receive a blue voting token at the checkout. We need as many votes as possible, so we encourage you to:

- Place your token in the Haileybury Turnford voting box at participating Tesco stores;
- Encourage friends, family and the wider community to support us by voting every time they shop;
- Spread the word on social media and within the local community, every vote counts.

Thank you for your support.

Yours faithfully
