

6th March 2025

Dear Parent/Carer

As we move into the brighter and better weather of spring, we are renewing our focus on punctuality to ensure all students make the most of their learning time in school. From 8.35am, all school gates will be closing promptly, and we appreciate your support in ensuring students arrive on time and ready for the day ahead.

We're already seeing a positive impact this week, with attendance at its highest this year—thank you for your continued support. We are aiming to keep this drive going by ensuring all students arrive punctually each morning and appreciate the support of our parents and carers to make sure your child arrives to school by 8.35am.

Your support makes a positive difference, and we appreciate your help in reinforcing good habits that benefit your child's education and mean they are attending school every day and on time.

Yours sincerely

Mrs M Goodes
Senior Vice Principal

Miss D Newman
Vice Principal
