

3rd March 2025

Dear Parent/Carer

On behalf of the Governing Body, I am delighted to be able to offer your child a place at Haileybury Turnford for September 2024. I trust that you will have also received a separate notification and acceptance information from the Local Authority. Your acceptance should be made to the Local Authority by 15th March.

We are certain that this will be the start of a long, happy and fruitful association with Haileybury Turnford. We see that relationship developing from when your child arrives in September as an enthusiastic member of Year 7, until they leave at the end of Year 11 or our Sixth Form as a confident young adult. The school vision is quite simply to be a local school of exceptional quality, developing every aspect of our students to ensure that they can thrive, flourish and succeed. Our relationship with Haileybury continues to develop, having a direct positive impact on students at Haileybury Turnford.

- We have a new building with 12 classrooms, 3 science laboratories, and a large library which opened in September 2021
- We have been successful with our bid to the Department for Education for fully funded new state-of-the-art buildings
- Exam results continue to rise and we saw the school's best ever results from our Year 11 students in 2023.
- Sixth Formers continue to secure places on competitive university courses and apprenticeship programmes

We are fully committed to working in partnership with parents and carers and will do all we can to develop the strongest possible relationship with you to enable this to happen.

You will no doubt have queries between now and September and we are here to help. Our staff are here to assist you in whatever way they can. We will have a New Parents' Evening and an Induction Day in school for your child in the Summer Term. Further information will be sent to you, including the confirmation of these dates in due course.

We look forward to meeting you and working closely with you in the years to come.

Welcome to Haileybury Turnford.

Yours sincerely

Mr R Whitaker
Chair of Governors
