

23rd April 2025

Dear Parent/Carer

I hope that you had an enjoyable and restful Easter break.

As we begin the Summer term, I would like to take the opportunity to welcome everyone back to school and thank you for your continued support for our school community. This final term of the academic year is always an important one, and we are looking forward to a productive and successful few months ahead for our students. For our Year 11 and Year 13 students, the Summer term brings the culmination of their hard work as they approach their public examinations. We are proud of their dedication and determination, and our staff are fully committed to supporting them through their final lessons, revision sessions and exam warm-ups as they prepare for this crucial period.

For all other year groups, the Summer term is a chance to build on the progress made so far this year. There will be many opportunities for enrichment, including trips, co-curricular activities, and special events that celebrate our students' successes.

We will also be focusing on our high expectations for uniform, attendance, punctuality, and behaviour. These remain essential to maintaining our calm, purposeful learning environment and ensuring all students are best placed to thrive. Thank you for your continued support.

Please keep an eye on our regular communications, and our website and social media feeds for updates throughout the term, including information about our Awards Evenings, and our Class of 2025 celebrations for our Year 11 and Year 13 students.

As always, if you have any questions or concerns, please do not hesitate to contact us. Working in partnership with you is key to ensuring our students continue to succeed.

Yours faithfully

Robin Newman
Principal
