## Year 10 Bulletin – Easter Edition 2025

### A message from Mr. Aydin:

Dear Year 10,

I am incredibly proud of the progress made this term. Your commitment to learning, mock preparation and securing work experience has really stood out. I have enjoyed our sense of drive in preparation for Work Experience Week in July and seeing so many of you take responsibility for your future. Keep pushing yourselves to find the best placements – it will be an experience to remember. With mocks coming up, now is the time to give it your all. The effort you put in now will make a real difference. Stay focused, support each other and be proud of what you achieve. It has been great to see your confidence grow, and I know you will continue to take on every challenge with determination. Keep working hard, believing in yourselves and aiming high. You are laying the foundations for success, and I cannot wait to see where your journey takes you.

### A message from Miss. Robinson:

Dear Year 10,

I have been so impressed with the way so many of you have stepped up this term, showing dedication to your learning and a real commitment to pushing yourselves further. Your attitude to learning has been fantastic, and it has been great to see so many of you exceeding expectations. I have really enjoyed our trips this term – bowling and rock climbing were brilliant, and it was great to see so many of you getting involved. Beyond the classroom, you have shown resilience, teamwork and a positive attitude, which will take you far. Keep bringing that same energy and enthusiasm into your studies as you head into mocks and prepare for work experience. I am really proud of the progress you have made. Keep striving to be the best version of yourselves and making the most of every opportunity that comes your way.

# Attendance Matters – ALL THE TIME

Attendance to school is really important to us and we put a lot of time and effort into ensuring that you all attend school on time and as often as possible. Good attendance is essential to attainment at the end of Year 11. Good attendance is defined as having an attendance percentage of 95% or more. A student with an attendance percentage of 90% is likely to achieve 1 grade lower than their predicted grade, whilst a student with an attendance percentage below 80% is likely to perform 2 or 3 grades lower than their predicted grade. Make sure you are in school every day. If you are not in school, you are not learning.

100% Attendance

96-100% Attendance

92-96% Attendance  
Below expectations

92% Attendance well  
below expectations

Whenever possible please make medical appointments outside of school hours.

- A student who ends the school year on 90% attendance will have missed 4 weeks of school.
- 90% over 5 years equates to half a school year missed.

Get up,  
dress up,  
show up &  
never give up

## ATTENDANCE FACTS

Students whose attendance is **100%** will be able to make the most of every opportunity available to them.

Students who have very good attendance are more likely to gain 5 or more Level 4 or above GCSEs or equivalent qualifications.

If a student's attendance is **below expectations** for their entire school career, they will have missed over one year of education.

If a student's attendance is 91%, they are missing 17 days or 85 lessons per year. Research suggests students will drop one GCSE grade per subject with attendance of 91%.

Students with poor attendance are less likely to gain good GCSE passes.

82% attendance means a child misses 34 days of learning or 170 lessons in one year.

**Poor attendance will have a serious impact on education, work ethic and life chances.**

Good school attendance supports children to feel confident and happy about school and learning

As a parent you can support your child to enjoy school life to the full by ensuring they **attend school EVERY day and also arrive on time.**

**BE  
HERE  
GET THERE**

Every day in school matters.

### To report an absence:

Mrs. Winborn (Attendance Manager) | [WinbornC@haileyburyturnford.com](mailto:WinbornC@haileyburyturnford.com) Ext. 252

It is important that you come to school every day, attendance to school can be the difference between what grade you receive in your GCSE's.
