Agenda Item 2: Start of term reflections

What has gone well?	Even better next time?
• Year 10 behaviour improved – students fed back they noticed a big improvement and students want to learn and do well in their subjects they have chosen. • The Fire Drill and practice on 25.09.25 was carried out sensibly and students knew the routines and what was expected of them. • The school feels safe at lunchtime and breaktime because of the staff supporting on duty and sensible behaviour. • The toilets are safe areas as staff are on duty • Behaviour really good in class. • Y12 and 13 work well together. • Teachers are teaching us revision methods. • Co-curricular needs to be more diversified and promoted. • The interventions for Y11 are helpful.	• The canteen queuing in the large dining Hall is not always good especially near to the tills there is a lot of pushing in and students not queuing which is not fair. • Some students are using poor language around the school. • Some students are not participating in class as much as others. • The uniform is not always worn correctly. • Can we clarify which toilets are for which Year groups. • Display and advertise who the Student Leaders are in classrooms and during assembly time and on class charts.
